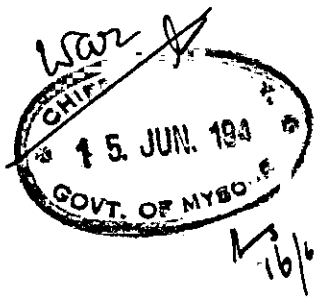
SIR,

I am directed to forward for information a copy of the Government of India, Civil Defence Department letter to all Provincial Governments and Chief Commissioners, No.2/42-A.R.P.II, dated the 22nd May 1942.



I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

ICH.

Copy of a letter from the Government of India, Civil Defence Department, to all Provincial Governments and Chief Commissioners, No.2/42-A.R.P.II, dated the 22nd May 1942.

----:O:----

Civil Defence Department Circular No.226/42.

Subject:-A.R.P. and C.D. measures in the "Preliminary Warning Area" and the "Threatened Area".

I am directed to indicate briefly for your information the difference between the action to be taken in the "Preliminary Warning area" and the action to be taken in the "Threatened area" in regard to Air Raid Precautions and Civil Defence measures.

2. In the "Preliminary Warning Area" all Air Raid Precautions and Civil Defence measures advised from time to time by the Government of India (including the enforcement of Lighting Restrictions on a permanent basis) should be put into operation in Class I, II and III towns. In class IV towns the only action necessary is the enforcement of Lighting Restrictions on a permanent basis.

3. The measures to be taken in classified towns in the "Threatened Area" are the same as those to be taken in the "Preliminary Warning Area" excepting that -

(1) (a) The completion of structural precautions in First Aid Posts and Depots and their equipment,

(b) The taking over the fitting out (as personnel becomes available) or vehicles for each Mobile Air Raid Precautions Service,

(c) The issuing of personal, party, post etc., equipment, and,

(d) The engaging of Depot personnel,

should not be done to an extent exceeding 50% of total requirements in a Class I town, and 25% of total requirements in a Class II or III town.

(2) Lighting Restrictions should be practised, in towns of Class I-IV but need not be permanently enforced.

(3) Schemes for the following subjects need not be ready to function immediately, but should be ready to function at a week's notice: -

Control of panic evacuation.

Evacuation of bombed areas.

Care of persons rendered homeless up to a standard of 1 per cent of population, for seven days in each case, including emergency feeding during that period.

Maintenance of essential services.

Hospital accommodation.

Reconnaissance of unexploded bombs.

Clearance of debris.

Demolitions.

Disposal of dead and notification of casualties to the public.

Reporting to Provincial and Central Governments the effect of raids and nature of bombs used.

Salvage of property generally and of building materials.

Repair of slight damaged buildings.

A copy of Civil Defence Department letter No.2/42-A.R.P.-II dated 22nd May 1942 is sent herewith for information and taking similar action to the extent possible. The Railway Board desire, however, that only the minimum wholetime A.R.P. staff should be engaged for classified towns in the 'Threatened area'. A.R.P. staff, requiring long training, e.g. Trailer Pump Parties, may be engaged to the extent already intimated, while other staff, who require little or no training, e.g. outdoor messengers, fire watchers, etc., should not generally be engaged till the 'Preliminary Warning' is issued.
